## ACTION UNDERTAKEN IN RELATION TO YOUR PRIORITIES

**You said:** Youths were jumping in the river at Memorial Park and Salmon Leap.

**We did:** We have increased patrols and started working closer with Test Valley Borough Council's parks department to address these issues.

**You said:** Youth nuisance around Latimer Walk and the Memorial Park was a problem.

**We did:** We increased our patrols in these areas to deter this type of behaviour and are pleased to report that anti-social behaviour around Latimer Walk has decreased.

**If you have any issues or concerns which you feel should be a priority for our team, please contact us on the details below.**

## JUSTICE SEEN, JUSTICE DONE

We ran another 'prohibition of driving' operation last month and took action against a number of drivers who we saw breaching the 'no entry except for access' signs in the restricted areas.

## CRIME PREVENTION

### Arson

There have been a number of arsons in the area over the last month so please stay vigilant and report any suspicious behaviour to police immediately.

It is common for arsonists to set things like waste packaging and rubbish in open skips alight, as well as disused outbuildings. Please keep this in mind and ensure that no waste is left discarded around the neighbourhood and keep all outbuildings locked and secure.

### Cold Callers

Please remember to ask for ID if someone you don't recognise calls at your door and never give out any information to cold callers. Stay vigilant and remember that they may not be who they say they are. If you're unsure, don't open the door.

## COME AND MEET US

We continue to hold beat surgeries at Romsey Town Hall between 10 and 11am on the first Friday of each month. There will also be one at Romsey Rapids between 10 and 11am on Tuesday, June 15.

Young people can come and see us at Youth in Romsey, every Tuesday afternoon between 2.30 and 3pm.
