### JUSTICE SEEN, JUSTICE DONE

Crime levels are relatively low in your area but even so, your local officers have been working hard to bring any offenders to justice and ensure the neighbourhood remains a safe place to live and work.

One person has been arrested in connection with criminal damage offences in Betteridge Drive, Rownhams and one person has been arrested in connection with criminal damage offences in Nutshalling Avenue, Rownhams.

One person has been reported for court summons in relation to an arson in Lordswood, Chilworth

A man was arrested in connection with a number of thefts from the Co Op store on Nursling Street.

### CRIME PREVENTION

#### Theft from motor vehicles

There has been an increase in theft from motor vehicles in the area. Please ensure that vehicles are secure and the windows are up and locked when vehicles are left unattended. Remember to remove all valuables, as well as any other items which could attract thieves, from the vehicle.

### Distraction Burglary

Please be vigilant and be mindful that any unexpected callers at your door may not be who they say they are. Do not let anyone in unless they have appropriate identification. **If you're not sure, don't open the door!**

### ACTION UNDERTAKEN IN RELATION TO YOUR PRIORITIES

**You said:** You wanted us to address parking issues in and around Nursling and Rownhams.

**We did:** We attended the affected areas and completed leaflet drops, advising car users about their parking in the area. We have also liaised with our partner agencies to assist them with dealing with parking complaints and the local parish councils have planted trees in some problem areas to prevent parking obstructions.

**You said:** You would like a 'No Cold Calling' zone in Armada Close.

**We did:** We have raised this with our partners at the Council and they are currently reviewing the issue.

**Please keep us informed about any other issues or concerns you may have.**

To report anti-social behaviour and neighbourhood issues, call 101.

# NURSING, ROWNHAMS & CHILWORTH SAFER NEIGHBOURHOODS REPORT MAY 2010

## WORK IN THE COMMUNITY

We held a "Footie Fun" afternoon during the school holidays (pictured below). The event was well attended by local children and their parents.

PCSO Stuart McCloskey and PCSO Mike Manns will be attending the Nursling and Rownhams May Fair on May 3, offering crime prevention advice, bike security coding some more football fun between 2pm - 4pm.

A Business Watch scheme is to be set up in the Chilworth Science Park, so that businesses there can work closer together and with police to prevent crime and address any issues or concerns there may be at the Science Park. More details coming soon!

## COME AND MEET US

The location and way in which we deliver our beat surgeries is currently under review and as yet we have no beat surgery confirmed for May.

However, police will be in attendance at the Nursling and Rownhams Parish Council meetings at Nursling Village Hall. These are open to the public so please come along and have your say and tell us about any issues or concerns in your neighbourhood. The next one is on Tuesday, May 4.

We attended the Parish Council AGM on Monday, April 26. The meeting was a great success and we continue to work closely with the Parish Council.

## KEEPING YOU INFORMED

These beat reports are produced every month. Hard copies are available at Romsey police station but if you would like to sign up to receive them by email then please email:
