

Volunteer Student Officer Exit Interviewer

The main purpose of this role is to interview student officers leaving the force to help gain learning opportunities for the constabulary.

Some of the tasks we would like your help with

- Liaising with the training department to obtain details of relevant officers.
- To contact ex-student officers and arrange a suitable interview, either in person or by another method.
- Interview and record responses.
- Produce a summary of areas for organisational learning from each interview.

What skills you need:

You should have basic IT skills, but you will receive training on our specialist systems. It would be really useful if you had previous office experience, but this is not essential.

What training and support you receive

You will take part in an induction to help you understand your role and how the force works, along with training on how to use our specialist databases and IT systems.

There is an Extended Police Family Support Co-ordinator on each of our six geographical Operational Command Units. Part of their role is to recruit and support volunteers, so they will be able to assist you with any problems or questions you have throughout your time as a Police Support Volunteer with Hampshire Constabulary.

How much time?

As much or as little as you can spare! Some volunteers give a few hours a month, some a day a week and some give much more than that. It's up to you and we will discuss this with you as part of your application.
