

Freedom of Information Request

REQUEST NUMBER: HC/000082/18

KEYWORD: Organisational Information

Request	Response
1. The number of police recruits for your force in the 2015/16, 2016/17 and 2017/18 (to date)	1. Please see below the total number of applications made to Hampshire Constabulary. Please note that these figures do not show the number of recruits that were successful or how many went for drug testing. Specials 2015/2016 = 243 2016/2017 = 258 2017 to date = 228 Police Officers 2015/2016 = 939 2016/2017 = 432 2017 to date = 0 DC Specialist Entry Programme (they join as PCs initially, but have a separate recruitment process) 2015/2016 = 0 2016/2017 = 440 2017 to date = 0
2. The number of police recruits who failed drugs screening tests before employment in the years specified in question 1.	Q2 – Q5 Hampshire Constabulary does not hold information relating to points 2-5 as no police recruits have failed drugs screening tests in the requested time period.
3. If possible, please give the drug(s) which were found in positive tests.	
4. For the recruits who failed the drugs tests how many were a) hired (if any) b) charged, cautioned or otherwise dealt with according to police drugs procedures For 4 b) please provide a break-down of all outcomes, if there are any.	
5. For the recruits who failed drugs tests please break down the roles for which they were applying.	

I define a 'police recruit' as anyone who has applied for a full or part-time role in your force. This includes PCSOs, police staff and other roles besides PCs and other police officer roles. If this data isn't available, please limit it to police officer positions only.

Please break the answers to all these questions down by financial year.
