

Freedom of Information Request

REQUEST NUMBER: HC/001654/17

KEYWORD: Finance

Request	Response
1. How many of your vehicles were destroyed, beyond economic repair in 2016/17 following any kind of road traffic accident? What was the make and model of the most expensive vehicle that was written off.	Point 1 7 vehicles were damaged beyond economic repair during 2016/17. The most expensive vehicle written off was a BMW 530.
2. What was the total cost of this damage to your service because of the accidents referred to in Q.1? If you were insured and suffered no direct cost other than through your insurance premiums, please provide me with a figure for the total value of those vehicles when written off?	Point 2 The total cost of written off vehicles in 2016/17 was £42,412.82. Please note some costs would have been recovered from third party insurance.
3. In the 2016/17 financial year, how many claims of compensation were paid to members of the public who were injured in a collision involving one of your vehicles and what was the total amount of the compensation? Please note that members of the public could be a passenger in your vehicle, a pedestrian or the driver/passenger in another vehicle. Note: The question relates to the date the claim was paid irrespective of when the accident took place or when the claim was made.	Point 3 There were 24 injury/compensation payments made in the financial year 2016/17. The amount paid was £106,135.91.
