

Freedom of Information Request

REQUEST NUMBER: HC/002026/17

KEYWORD: Roads Policing

Request	Response
Drivers caught using a handheld mobile phone: 1. How many drivers were caught in your force area using a handheld mobile phone at the wheel between December 2016 and February 2017 (inclusive)? 2. How many drivers were caught in your force area using a handheld mobile phone at the wheel between March 2017 and May 2017 (inclusive) 3. How many neighbouring police forces do you work with, if any, to enforce the handheld mobile phone law?	1. 881 2. 590 3. Thames Valley Police and Hampshire Constabulary have a joint ops unit that enforce the law concerning handheld mobile phone usage while driving. Hampshire Constabulary contributes to all national road safety campaigns lead by the National police Chiefs Council, including campaigns to reduce the number of drivers using handheld devices whilst driving.
