

Freedom of Information Request

REQUEST NUMBER: HC/002339/17

KEYWORD: Crime Statistics

Request	Response
I am seeking information about crimes recorded by your force from 2012–2016. Specifically: The Sanction Detection rate for these crimes, broken down by calendar year, from 2012 to 2016. a) Burglary in a dwelling b) Robbery of personal property c) Theft of motor vehicles d) Actual bodily harm e) Grievous bodily harm f) Rape g) Other sexual offences Please calculate the sanction detection rate as number of SDets recorded in a particular period x 100 / number of offences recorded in the same period. From 2013-14 please use positive outcomes as per home office instructions. Before 2013-14 please use Sanction detection + community resolutions.	The change in Home Office Rules from Detections to the Outcomes Framework took effect from 1st April 2014. Therefore information from 2012 to 2014 excludes detections relating to 'Adult Restorative Disposal (ARD), Community Resolution and Youth Restorative (YRD) this is so the outcomes for all years are comparable. Please see the tables below:

2012	Formal Action Taken
Malicious wounding: wounding or inflicting GBH	161
ABH (any lasting pain, hurt or any minor injury of any kind)	3649
