In the last financial year (15-16) how many cases of domestic violence did you investigate where the victim was an adult and the alleged attacker was a juvenile? Please provide an age breakdown of these juveniles who were investigated and a breakdown by gender. How many juveniles were (i) cautioned and (ii) charged with domestic abuse in the last financial year? Please provide a table showing the numbers charged for each type of specific offence.	The cross-government definition of domestic violence and abuse is: any incident or pattern of incidents of controlling, coercive, threatening behavior, violence or abuse between those aged 16 or over who are, or have been, intimate partners or family members regardless of gender or sexuality.
