

## **Hampshire Constabulary**

### **Notice about publication of the audited accounts for 2019/20**

This notice is issued in accordance with The Accounts and Audit Regulations 2015 as amended by The Accounts and Audit (Coronavirus) (Amendment) Regulations 2020.

It has not been possible to publish the audited accounts for 2019/20 by 30 November 2020 as our external auditors (EY) are still working on the audit. This is due to continuing work on the going concern concept and disclosures.

Our website currently contains the latest copy of the draft accounts for 2019/20. The audited accounts will be published as soon as possible once they have been approved after the audit opinion is received.

Many other local government organisations are in a similar position this year and will not be publishing their audited accounts until after November.
